

Cracked
Pentatonix

F#m
I broke something I ll never get, I ll never get back
F#m **C#7**
Brought me to my knees
F#m **B**
A head like steel and a soul of gold
F#m **C#7**
And a heart that s made of glass

(stop) **F#m**
But mine s cracked, whoa!
F#m
Well, mine s cracked! Whoa!
B
Well, mine s cracked No idea where I m going

But there s no looking back
(stop) **F#m**
Cause I m cracked! Whoa!

F#m
You stole something I ll never get, I ll never get back
F#m **C#7**
You left a hole in me, oh lord!
F#m **B**
Your halo s gone and all I see is horns
F#m **C#7**
And a heart that s still intact

(stop) **F#m**
But mine s cracked, whoa!
F#m
Well, mine s cracked! Whoa!
B
Well, mine s cracked No idea where I m going

But there s no looking back
(stop) **F#m**
Cause I m cracked! Whoa!

F#m
Fire, fire rising inside me
F#m
Liar, liar, treat me so bad
F#m
My, oh my, you hurt me so gladly
B

Why, oh why you do me like that

C#7 (stop)
Whoa-oh-oh! OOOooouwo-oh-uh

F#m
But mine s cracked, whoa!

F#m
Well, mine s cracked! Whoa!

B
Well, mine s cracked

No idea where I m going

But there s no looking back

(stop) **F#m**
Cause I m cracked! Whoa!
(stop) **F#m**
Whoa!
