

Cracked
Pentatonix

F#m

I broke something I ll never get, I ll never get back

F#m **C#7**

Brought me to my knees

F#m **B**

A head like steel and a soul of gold

F#m **C#7**

And a heart that s made of glass

(stop) **F#m**

But mine s cracked, whoa!

F#m

Well, mine s cracked! Whoa!

B

Well, mine s cracked No idea where I m going

But there s no looking back

(stop) **F#m**

Cause I m cracked! Whoa!

F#m

You stole something I ll never get, I ll never get back

F#m **C#7**

You left a hole in me, oh lord!

F#m **B**

Your halo s gone and all I see is horns

F#m **C#7**

And a heart that s still intact

(stop) **F#m**

But mine s cracked, whoa!

F#m

Well, mine s cracked! Whoa!

B

Well, mine s cracked No idea where I m going

But there s no looking back

(stop) **F#m**

Cause I m cracked! Whoa!

F#m

Fire, fire rising inside me

F#m

Liar, liar, treat me so bad

F#m

My, oh my, you hurt me so gladly

B

Why, oh why you do me like that

C#7 (stop)
Whoa-oh-oh! OOOooouwo-oh-uh

F#m
But mine s cracked, whoa!

F#m
Well, mine s cracked! Whoa!

B
Well, mine s cracked

No idea where I m going

But there s no looking back

(stop) **F#m**
Cause I m cracked! Whoa!
(stop) **F#m**
