Lonely Fish
People On Vacation

Song: Lonely Fish
Artist: People On Vacation
Album: The Summer and the Fall
Year: 2012

Fun song. I thought it would be nice to have some chords since no one is
tabbing any POV.

Intro:

G   C   Am   D   (x4)

       G   **C**   **Am**
So many fish

      D   **G**   **C**   **Am**   **D**
In the proverbial sea

 G   **C**
I wander around the world

   Am   **D**
Just hoping that you ll bump into me

G   C   Am   D

       G   **C**   **Am**
How would we know

   D   **G**   **C**   **Am**   **D**
If we ever met

G   **C**
Love at first sight

  Am   **D**
Or something we would both forget

G   C   Am   D

G   **C**
Boys become men

```
    Am                D
And girls turn into women

        G                 C
Yeah we all jump in the water

Am              D
    And start swimming

        G                 C
You re looking for the only one

Am                  D
Don t wanna be a lonely little fish

G      C      Am      D      (x2)

    G          C          Am
Oh girl,

                  D                    G      C      Am      D
you know you couldn t be hotter

          G          C
It s a shame, shame, shame

Am                D              G      C      Am      D
      I m afraid of the water

G              C
Boys become men

      Am                D
And girls turn into women

        G                 C
Yeah we all jump in the water

Am                D
    And start swimming

        G                 C
You re looking for the only one

Am                  D
Don t wanna be a lonely little fish

G      C
```

```
Am                   D
Don t wanna be a lonely little fish

G    C    Am    D

         G
I think I m drowning

             Am
In a sea of despair

       G      C      D (hold for next line)
I see a bright white light

I better come up for air

G    C    Am    D      (x4)  (Short on the D for fourth time through)

G            C
Boys become men

   Am                D
And girls turn into women

      G               C
Yeah we all jump in the water

Am            D
    And start swimming

     G               C
You re looking for the only one

Am                D
Don t wanna be a lonely little fish

G            C
Boys become men

   Am                D
And girls turn into women

      G               C
Yeah we all jump in the water

Am                D
```

And start swimming

         G   C
You re looking for the only one

Am   D
Don t wanna be a lonely little fish

G   C

Am   D
Don t wanna be a lonely little fish

G for final chord
