

In Search Of Simon Birch
Pepper Rabbit

This is my first tab. I couldn't find anything for this song so I had to do it myself! I couldn't hear the chorus very well and the guitar seems to cut out the second time it plays, but at least here's the main riff. It's a great song. Enjoy!

(Main Riff)

```
|--3-----|--3-----|--0-----|--0-----|
|0---0---|0---0---|0---0---|0---0---|
|-2----2-|-2----2-|-2----2-|-2----2-|
|-----|-----|-----|-----|
|-----|-----0|2222222|2222220|
|3333333|3333333-|-----|-----|
```

Oh, I've been circled,
by all these hurdles.
I have in mind a plan designed to get away from all these dangers,
But now it's weird that I've got here and found myself makin' it with a
stranger.

Em **Am**
Trying to show you better,
Em **Am**
It's not always a letter.

(Riff again)
Oh, I climb quickly,
if you weren't so sickly.
Takin' all your time just to try to get better,
still the second verse doesn't mean I've written you a letter.

Em **Am**
Slower than a snail,
Em **A**
better in the mail,
Em **Am**
gone to get you snail,
Em **Am**
thirteen cents to mail,

E, A, E, A,

E **A**
And with the children ridin' on the dawn,
E **A**
And with the backs all broken, I am on.
