Stealing what's been stolen

And what's given, man I don't get for free

**Ebm** Couldn't find a reason but put the blame on me

**Ebm** Taking water while the well is dry

**Ebm** And the devil's always smiling when you pass by

**Ebm** Drifting on my shattered piece of sorry stubbornness

**Ebm** One more mistake but I really need that risk

**Ebm** I've noticed roots and the rhythm remain, whoa

**Ebm** But they're never like they seem

And now the stories lost it's theme
