

Every Day Outside My Window
Per Gessle

G **Em**
Every day outside my window
D C G
Every day she walks by
G Em
I used to be a normal person
D C G
Before she came into my life

C D G
Every night I keep on dreamin
Am Em D
Every night I take her home
G Em
We always go to bed together
C D G
I always wake up all alone

G Em
Every day I see her comin
D C G
Always 22 to 8
G Em
I wish she stayed a little longer
D C G
But her bus is never late

C D G
Every night we re dancin slowly
Am Em D
I play the music she adores
G Em
Like Sinatra, then we re watchin
C D G C D
Movies from before the war

Am Em
It s strange (so strange), so strange
C Am
What she is doin to me
Am Em
Strange (so strange), so strange
C Am Em
Did this ever happen to you
Em D
The way it just happened to me?
