

The Song From Moulin Rouge Where Is Your Heart
Percy Faith

F **Am**
Whenever we kiss
Dm **C7**
I worry and wonder
Gm **C**
your lips may be near
C7 **F**
but where is your heart?

Am
It s always like this
Dm **C7**
I worry and wonder
Gm **C**
you re close to me here
C7 **F**
but where is your heart?

C7 **F**
It s a sad thing to realise
Gm **Dm**
that you ve a heart that never melts
E7 **Am**
when we kiss do you close your eyes
Dm **C**
pretending that I m someone else?

F **Am**
You must break the spell
Dm **C7**
this cloud that I m under
Gm **C**
so please won t you tell
C7 **F**
darling, where is your heart?
