Don t feel no pain, don t feel no sorrow

**D5**                                    **A5**  
No thoughts of today, none of tomorrow

Additional verses:

Emral garden is just a haven  
Where my darkest secrets dwell  
But slowly, oh so slowly,  
They make the place a living hell

Now i realize, that the garden  
Is just a utopia of my mind  
Now i rest in quiet comfort  
Leave my angry horror behind
