Capo 3

**C**

**C**                    **G**  
The hands of god  
                                 **Am**                    **F**  
were bigger than grandpa s eyes  
                                 **C**                    **G**                    **Am**                    **F**  
but still he broke the elastic on your waist

**C**                    **G**                    **Am**                    **F**  
but He ll never break you baby                    (X2)  
                 **C**                    **G**                    **Am**                    **F**  
Ohh oh Ohh oh Ohh Oh Ohh                    (X2)

**C**                    **G**  
The hands of god  
                                 **Am**                    **F**  
were bigger than grandpa s eyes  
                                 **C**                    **G**                    **Am**                    **F**  
but he is long gone

**C**                    **G**                    **Am**                    **F**  
The love you feel is strong  
                 **C**                    **G**                    **Am**                    **F**  
the love you feel is stronger

**C**    **G**    **Am**    **F**

**F** **G**    **Am**

**F**                    **G**                    **Am**  
I will take the dark parts  
                         **F**                    **G**                    **C**  
of your heart into my heart                    (X2)

Ooooh Oooooh Oooooh
