

**Mr Peterson**

**Perfume Genius**

A very nice song. A note to beginners, the chords might seem unfamiliar, but they re just the standard bar chords moved to a different key, you can change the chords into more familiar ones if needed. Enjoy.

**Ab**                      **Bbm**                      x 4

**Bbm**                      x 2

**Ab**                      **Bbm**  
My work came back from class

**Ab**                      **Bbm**  
With notes attached

**Ab**                      **Bbm**  
Of a place and time

**Ab**                      **Bbm**                                      **Bbm**  
Or how my body kept him up at night

**C#**                      **Ab**                      **C#**                      **C#**  
He let me smoke weed in his truck

**C#**                      **Ab**                      **Eb**                      **C#**  
If I could convince him I loved him enough

**C#**  
Enough, enough, enough, enough

**Ab**                      **Bbm**

**Ab**                      **Bbm**

**Ab**                      **Bbm**  
He made me a tape of Joy Division

**Ab** **Bbm**  
He told there was a part of him missing

**Ab** **Bbm**  
When I was sixteen

**Ab** **Bbm** **Bbm**  
He jumped off a building
