VERS: **F# D E**

REF: **A E F# D / A E F# D E**

There are people who want to bring me down cause I want to fly the flag
With my head held high I m fighting back for the colours of my land
My feelings are so true to the Yellow and the Blue
It s the colours of my heart and it always beats for you

Chorus 2x

My heart beats for you
Yellow and the Blue

There are people full of ignorance who want to bring me down
They re blind and full of prejudice and I will fight em back
It seems to be a crime being patriotic these days
But I will always fight for the Yellow and the Blue

Chorus (repeat)
