On My Head
Perlo

B
[Verse]

I think it s all in my head
            G#m
But how can I know

Said I ll see you again
           E
When I know I won t

Falling down from the start
         C#m
Now I m on my head
              F#
Looking up where you are
      G#m
Starting again

[Pre-Chorus]
       C#m
Wanted to feel
        E
Wanted to hold
         F#
I wanted to know

[Chorus]
B
Tell me babe,

was it all a waste
     G#m
do you love me or let me go
            E
I m done looking out for you
           C#m   **F#**
It s all I know how to do

B

[Verse]

I think it s all in my head
            G#m

But how can I know

Said I ll see you again
                    E
When I know I won t

Falling down from the start
                    C#m
Now I m on my head
                            F#
Looking up where you are
            G#m
Starting again

[Pre-Chorus]
            C#m
Wanted to feel
              E
Wanted to hold
                F#
I wanted to know

[Chorus]
B
Tell me babe,

was it all a waste
        G#m
do you love me or let me go
                    E
I m done looking out for you
                C#m
It s all I know how to do

[Bridge]
    E   G#m
And I can t make you feel
    F#   E
something that you don t
                        G#m
and I won t wait until
F#
wait until you change your mind

[Chorus]
B
Tell me babe,

was it all a waste
        G#m

```
do you love me or let me go
                     E
I m done looking out for you
                 C#m         F#
It s all I know how to do
B
Tell me babe,

was it all a waste
        G#m
do you love me or let me go
                     E
I m done looking out for you
                 C#m
It s all I know how to do
```
