Amazing Glow Pernice Brothers

Artist: Pernice Brothers Song: Amazing Glow Album: Discover a Lovelier You Tabbed By: Guitarman57 C A rare and wicked skill Am to change the light or weather F No room was spared G No mood shown or mercy С I was a tireless fool I thought I could do better I left in flames, a paper shade Hanging from a light Am And when it came to Em The wrecking ball Αm She swung it effortlessly Em Like it had no weight at all Am Em And when it came to the victories The genus name of all the flowers F That were feeding off her amazing glow I changed my master plan I changed my friends and city F I go to sleep, I still wake up screaming

```
C
A dream so full and real
```

Δm

You d think I would know better

F (

I try to stave off a new day from rising

Am

And when it came to

Em

The wrecking ball

Am

She swung it effortlessly

Em

Like it had no weight at all

Am Em

And when it came to the victories

Am D7

The genus name of all the flowers

C F Am

That were feeding off her amazing glow

C F Am

Her amazing glow

End on C (let it ring out)
