

**This Time Its Goodbye**  
**Perry Blake**

This sounds pretty cool strummed to 4/4 beat or just picking throughout the song.  
I  
worked out the pianoriff but I'll post it as soon as I figure it out. And by  
the way, this is  
awesome song.

**Am**  
They flew over the houses  
**E**  
Clipped the buildings wide  
**Am**  
Flew over the rooftops  
**E**  
This time its goodbye

**Cmaj7 (Em)**  
Uh...

**Am**  
I watched the woman waiting  
**E**  
Teardrops in her eyes  
**Am**  
I watched the woman waiting  
**E**  
This time its goodbye

**Cmaj7 (Em)**  
Uh...
