

**This Time Its Goodbye**  
**Perry Blake**

This sounds pretty cool strummed to 4/4 beat or just picking throughout the song.  
I worked out the pianoriff but I'll post it as soon as I figure it out. And by the way, this is awesome song.

**Gm**

They flew over the houses

**D**

Clipped the buildings wide

**Gm**

Flew over the rooftops

**D**

This time its goodbye

**Bbmaj7 (Dm)**

Uh...

**Gm**

I watched the woman waiting

**D**

Teardrops in her eyes

**Gm**

I watched the woman waiting

**D**

This time its goodbye

**Bbmaj7 (Dm)**

Uh...
