Late on Tuesday evening such a com-motion in the street
Abm **Bb**
Someone broke a window and someone s head got beat

A wave of breaking bottles crashed across the city street
Abm **G**
and someone got arrested for a breach of the peace
Cm Ab Bb
If you wanna walk, don t talk, do it
Cm Ab Bb
If you wanna earn, learn how to do it
Cm Ab Bb
And if you wanna ride, don t hide, do it
Cm Ab Bb
If you wanna stay, don t say, prove it
How much longer you gonna sit and talk to me?
You ve got so many problems and a split personality
You want to see a doctor before our love is tested
How much longer? A man could get arrested

Chorus

You got your health, you got everything, that s what my doctor said
You may not have much cash but you ve got a roof over your head
Of course I said I loved you not just cause you insisted
How much longer? A man could get arrested

Chorus

Cm **Bb** **Cm Cm Bb**
Oh babe, why don t we do it now?

Do it now
Cm **Bb** **Cm Cm Bb**
Oh babe, why don t we do it now?
Abm
