

Did You See Me Coming
Pet Shop Boys

()

Intro: G A Dmaj7 D (Dmaj7)

Did you see me coming?

Was I that obvious?

For all of a sudden

There were just two of us

You don't have to be in Who's Who to know what's what

You don't have to be a high flier to catch your slot

The night we met was cold and wet

I needed a drink or two

I saw you standing there and I knew

I'd like to be loved by you

Did you see me coming?

Was I that obvious?

For all of a sudden

There were just two of us

You don't have to be what's what to know who's who

You don't need the DNA to find the proof

Then and there my life made sense

You were the evidence

Did you see me coming?

Was I that obvious?

For all of a sudden

There were just two of us

Did you see me coming?

I thought I'd have to make

All of the running

I was all yours today

Bm

I m not superstitious

F#/B

A6

Ab

C#m
