```
Bm                          G                    A            D        C#m
Lost in the high street,    where the dogs run    roaming suburban boys
Bm                          G                 A                         F#
Mother s got her hairdo     to be done      She says they re too old for toys
Bm                          G                 A              D        C#m
Stood by the bus stop       with a felt pen      in this suburban hell
Bm                       G              A                    F#
and in the distance      a police car to break the suburban spell
```

```
B          Abm                  C#m         E    F#   B
Let s take a ride and run with the dogs tonight in suburbia
           Abm               C#m         E    F#  Bm
You can t hide Run with the dogs tonight in suburbia
```

```
                G               A            D        C#m
Break the window by the town hall Listen! A siren screams
Bm                  G              A                  F#
there in the distance like a roll call of all the suburban dreams
```

```
B          Abm                  C#m         E    F#   B

           Abm               C#m         E    F#  Bm   G  -  Bm   G  (2X)
You can t hide run with the dogs tonight in suburbia
```

```
Bm                        G
I only wanted something else to do but hang around
Bm                        G                             Bm
I only wanted something else to do but hang around ...    hang around

It s on the front page of the papers      This is their hour of need
Bm                    G                  A                F#
Where s a policeman when you need one  to blame the colour TV?
```

```
B          Abm                  C#m          E    F#  B
