A windy day, the cars in slow formation  
**Abmaj7 Ab6 Bbm Eb**  
Not far away, a final destination  
**Eb6 F**  
One mother s son  
**Bbm Eb**  
His father s distant gaze, regretting  
**Eb6 F**  
Where they went wrong  
**Bbm Eb**  
He always found it too upsetting

**Abmaj7 Ab6**  
Me and my friend  
**Bbm Eb**

You and your friend, so sweetly  
**Eb6 F**  
With strength and pride  
**Bbm Eb**  
In spite of everything, and swimming  
**Eb6 F**  
Against the tide  
**Bbm Eb**  
To obstinately hope of winning

And at the end  
Your funny uncle staring  
At all your friends  
With military bearing  
And stopped to stand  
To smile and speak of you directly  
Goodbye, shake hands  
Like you did everything correctly

**F#6 F Bbm Eb**
