Pete and the Pirates -- Shotgun

There are no other tabs or lyrics on the internet so I did my best...

Capo 1

C F Em Am C F (X2)

C F
You built your walls
Em Am
around your gold
C F
is that the way
C F
Whats it for
Em Am
behind those doors
C F
still yours for sure

C F Em Am C F

C
Get out your rifle
Am
protect your home
Em
its not right
F
your left alone

C
Set up the shotgun
Am
its no more fun
Em
its tonight
F
your walls are strong

C F Em Am C F

and all those days you locked away

C F

up there nowhere

C F Em Am

what you think you could have changed

C F

its too late too late

C F Em Am C F

C
Get out your rifle

Am
protect your home

Em
