Intro: **Em H D A**

Em **H**
Take a broken love song
D **A**
Keep it by your side
Em **H**
Never be lonely
D **A**
Find a place to hide

Same like 1 verse
Under the west way, inside the scrubs
how long must we wait
for they re killing us
Em
killing us

Hm **Fm**
They are the loneliest
Hm **Fm**
They are the loneliest
Hm **Fm**
They are the loneliest
Hm **Fm** **Em**
They are the loneliest, Still

(and so on...)

Through my cell window
Hear the loft boys sing
Come on you...(arse? asked?)
Carried on the wind

Every morning
I ll be singing

Like a caged bird who might say
Jump on George and Ringo
Help me pass the hours away

C??????

Would I be
Another dawn creeps up on me
On me
Ah, ah, ah, ah, ah, ah

They are the loneliest
They are the loneliest
They are the loneliest
They are the loneliest
Still

Letters from faceless haters
That d love to
See my swinging in my cell
Oh I never saw a man with ???
who looked like such ???
??? prisoners coloured sky

They are the loneliest
They are the loneliest
They are the loneliest
They are the loneliest
Still

so i wait for your help, thanks
