

**Palace Of Bone**  
**Pete Doherty**

Palace of Bone - Pete Doherty, from his solo album Grace/Wastelands  
The lyrics should be pretty much spot on  
The only chord I m unsure of is the F in the chorusy bit, I think it helps if  
you only  
the top four strings (i.e. leave out the F and C on the bass and play it from  
the F on  
D-string)  
There are a couple of riffs from the song at the bottom of the tab, they re not  
in the  
thing cos it d make it look messy  
Anyway, enjoy! It s a great song =]

Standard Tuning

Intro: Am C C/B (listen to the song to work out the timings, but Am is one bar  
and C -  
is another whole bar)

**Am**                    **C**            **C/B**  
We ve been a long time together  
**Am**                    **C**            **C/B**  
Time together on a snakey road  
**Am**                    **C**            **C/B**  
There ain t no time spent together  
      **Am**                **C**            **C/B**  
Like time spent together on a snakey road

Break: **Am C C/B**

**Am**                    **C**            **C/B**  
Winding on through the hills together  
**Am**                    **C**            **C/B**  
Winding on that snakey road  
**Am**        **C**        **C/B**  
Winding on forever  
**Am**        **C**        **C/B**    **Am**  
Winding on that snakey road

**F**  
What s that they re telling you,

**E**  
Your future? I m telling you

They re gonna pick your pocket too

Break: **Am C C/B**

MAIN RIFF

Who can t come and live in the palace of bone

Coda: Am C C/B, and a quiet BASS RIFF (see below) near the end

MAIN RIFF:

```

e |-----|
B |-----|
G |-----|
D |-----|
A |-----5---6---5---5-----|
E |--5---8-----8---5---3---5-----|
  I m going to build me a palace of bone

```

BREAK RIFF:

```

e |--5---0-0-0-0-----|
B |--5---1-1-1-1-----|
G |--5---0-0-0-0-----|
D |-----2-2-x-x-----|
A |-----3-3-2-2-----|
E |-----|
  (Listen to the song to work out timings)

```

BASS RIFF

```

e |-----|
B |-----|
G |-----|
D |-----|
A |-----7-6-----|
E |--5---3/5--3/5--5-----|

```

(I m unsure whether this is played on bass or guitar, I ve just tabbed it on the guitar anyway)
