```

Intro:

Pick at B chord then Pick at A chord (repeat)
Then come in with E Riff (EGA,EGA etc)

Verse 1:

Hello Miss Cold
I came by to give you the season
A hot day you re going to pay
Don t you know you re wanted for treason

A Riff

Oh no, why is it so?
You have always been so freezin

E Riff

To me you couldn t see

B

I only wanted to be just pleasin

CHORUS:

A

And after all this time you re next to me

B

You still turn me around

A

B

And I can let my destination be here right now

A

Breaking up your ice you ll see

B

Burn it all down

A

And when my sun comes out its destiny

E Riff

I ll be warming up your frozen ground

Verse 2:

Hello Miss Cold

I got my lemons and I m ready for squeezing

One way you re going to stay

Ain t no time left for you to reason

A Riff

Oh grace, you re out of space

You ve already started your wheezing

E Riff

Today, you ll be saved

B

I m going to stop all of your bleeding

PLAY SOLO (same as Verse) and then sing and play Chorus again then Outro.
