Capo 2

You will have to listen to the song to figure out the struming

Intro/Verse 1

**Em,** **F#/D,**  
He puts his hand down into his pocket  
**G** **F#/D**  
Pulls out a rose and hands it to his girl  
**Em** **F#/D**  
She says hey man what you doin what you sayin  
**G** **F#/D**  
No, I thought I told you  
**Em** **F#/D**  
I don t want you here no more  
**G** **F#/D**  
So go get out of here so I don t see your face  
**Em** **F#/D**  
Your the one who used to beat me to love you  
**G** **F#/D**  
And I don t want you back again

Chorus

**Em, F#/D, G**  
No More  
No More  
No More

Verse 2

Many times did you swing that hand  
But did you ever see the bruise you used to leave  
I d spend days I could not go out  
Sometimes it would weeks  
So don t come back thinking I m okay  
Cause really man, I hate you to the core  
You re the most gutless thing I ve ever known  
Or ever saw

Chorus

**Em, F#/D, G**

No More  
No More  
No More

Bridge

**A2,B, C**

You can t hide the scars  
You can t hide the scars

So turn around and just start walking  
Cause we got nothing left to say  
When you re gone you can be assured  
My smile is gonna come back my way  
And I ll wipe you from my memory  
So you don t exist in my day  
But just remember I ll still smell you  
A thousand miles away

No More  
No More  
No More

Chorus
