But you might say its just the luck of the draw			
You might say that you ve done this before			
You might feel that you re 10 foot tall some days			

G	F	C
And all I ever wanted to be		
Will remain right here with		

C	Asus	Em	F
you, and me,	And the times we ve had,	And the times we ve yet to see	
You, and me,	And the things we ve done,	And I m sure its meant to be	
Do you, do you,	do you agree		

The rest is pretty much all the same
