[Intro]

Dsus Em7 A7sus4 Em7 x2

[Verse 1]

Dsus **Em7** **A7sus4** **Em7**
Sad times go slow well thatâ€™s understood
 Dsus **Em7** **A7sus4** **Em7**
When youâ€™re gone I slow right down to still
 Dsus **Em7** **A7sus4** **Em7**
Is it real, is it love or ecstasy
 Dsus **Em7** **A7sus4** **Em7**
Only with you my veins begin to fill

[Verse 2]

Dsus **Em7** **A7sus4** **Em7**
If we run now weâ€™re going to learn today
 Dsus **Em7** **A7sus4** **Em7**
We can live beyond what weâ€™ve seen and done
 Dsus **Em7** **A7sus4** **Em7**
So lock onto your targets and fire at will
 Dsus **Em7** **A7sus4** **A7sus4**
Weâ€™re going to blow this town out now and run

[Chorus]

G **D/F#** **Em** **D/F#**
But without you here it wouldnâ€™t be the same
 G **D/F#** **Em** (lift off finger on the A
string and hammer once)
All my worlds come crashing in
 G **D/F#** **Em** **D/F#**
And without you here I couldnâ€™t play this game
 G **D/F#** **Em** **Em**
Iâ€™d be falling down in a spin

[Verse 3]

Dsus **Em7** **A7sus4** **Em7**
 If we attack our fears we can achieve greatness
Dsus **Em7** **A7sus4** **Em7**
 So letâ€™s challenge it now and ride it like a storm
Dsus **Em7** **A7sus4** **Em7**
 Thereâ€™s no time to lose when youâ€™ve got a life to live
Dsus **Em7** **A7sus4** **A7sus4**
 But we only learn this the day a life is gone

[Chorus]

G **D/F#** **Em** **D/F#**
 But without you here it wouldnâ€™t be the same
G **D/F#** **Em**
 All my worlds come crashing in
G **D/F#** **Em** **D/F#**
 And without you here I couldnâ€™t play this game
G **D/F#** **Em** **Em**
 Iâ€™d be falling down in a spin

[Bridge]

Dsus G A7sus4 Em7 x4

[Verse 4]

Dsus **Em7** **A7sus4** **Em7**
 So take this chance and come and ride with me
Dsus **Em7** **A7sus4** **Em7**
 All the roads weâ€™re on now will only lead us blind
Dsus **Em7** **A7sus4** **Em7**
 Open up hope and chase our destinies
Dsus **Em7** **A7sus4** **A7sus4**
 I swear to you now youâ€™ll never look behind

[Chorus]

G **D/F#** **Em** **D/F#**
 But without you here it wouldnâ€™t be the same
G **D/F#** **Em**
 All my worlds come crashing in
G **D/F#** **Em** **D/F#**
 And without you here I couldnâ€™t play this game
G **D/F#** **Em** **Em**
 Iâ€™d be falling down in a spin

[Chorus]

G **D/F#** **Em** **D/F#**
 But without you here it wouldnâ€™t be the same
G **D/F#** **Em**
 All my worlds come crashing in
G **D/F#** **Em** **D/F#**
 And without you here I couldnâ€™t play this game
G **D/F#** **Em** **D/F#**
 Thereâ€™s no point cause thereâ€™d be nothing for me to win
