

This Old Car
Pete Seeger

[Verse]

I ve been a many a mile in this old car,
I hope I got many more
Cause little Molly sees that it s well kept for

[Chorus]

Well the spark plugs spark, the carburetor carbs
The pistons do what they re supposed to do
Ooh, and little Molly keeps it lubricated all the time

[Verse 2]

Now if things get a little outta kilter
Here s how to fix it right away
Reach down and give a little jiggle,
Everything will be okay

[Chorus]

Well the spark plugs spark, the carburetor carbs
The pistons do what they re supposed to do
Ooh, and little Molly keeps it lubricated all the time
