intro: **C**

**C F G C F**  
Someday, I'll look into her green eyes  
**G C F**  
and know that she'll come with me  
**G C F G**  
a girl like you.

**C F G C F**  
Too many, things I do not care for  
**G C F**  
but one thing that I adore  
**G C F G**  
is a girl like you.

**F Dm**  
I'll always try  
**F Dm**  
to look you in the eye.  
**C F G C F G**  
It's ok, with a girl like you

Tomorrow, I think I'll tell you something  
a thing that I haven't said  
to a girl like you.

And even if, I don't know what the day will bring  
still I can tell most anything  
to a girl like you.

I'll always try  
to look you in the eye  
it's ok  
with a girl like you  
it's ok

with a girl like you  
a girl like you. (\*end on D\*)
