[intro] **C#** to **Bbm** (walk up and down)

[Verse]

C# **Bbm**
You and I we re two of a kind
C# **Bbm** **Ebsus2**
I hate to say it but you ll never relate what makes you tick
F# **C#**
It makes me smile
C# **Bbm**
You said that I should get away from it all
C# **Bbm** **Ebsus2**
And bury my head in the sand if I want to...I think you
F# **C#**
Should thank me now

[Chorus]

F# **Fm**
You were lying wide awake in the garden
F# **Fm**
Trying to get over your stardom
F# **Fm**
And I could never see you depart us
G# **C#** (to **Bbm** repeat)
And you re my baby...you re just another girl

I never mind the way I had to see ya
My working on a day show never explains why I see you
And I feel your pain

I love to wear my work inside of my head
I can t complain but you should never react the way you did
I feel your time

[Chorus] x2

F# **Fm**
You were lying wide awake in the garden
F# **Fm**
Trying to get over your stardom
F# **Fm**
And I could never see you depart us
G# **C#** (to **Bbm** repeat)
And you re my baby...you re just another girl
