[intro] **B** to **G#m** (walk up and down)

[Verse]

B **G#m**
You and I we re two of a kind
B **G#m** **C#sus2**
I hate to say it but you ll never relate what makes you tick
E **B**
It makes me smile
B **G#m**
You said that I should get away from it all
B **G#m** **C#sus2**
And bury my head in the sand if I want to...I think you
E **B**
Should thank me now

[Chorus]

E **Ebm**
You were lying wide awake in the garden
E **Ebm**
Trying to get over your stardom
E **Ebm**
And I could never see you depart us
F# **B** (to **G#m** repeat)
And you re my baby...you re just another girl

I never mind the way I had to see ya
My working on a day show never explains why I see you
And I feel your pain

I love to wear my work inside of my head
I can t complain but you should never react the way you did
I feel your time

[Chorus] x2

E **Ebm**
You were lying wide awake in the garden
E **Ebm**
Trying to get over your stardom
E **Ebm**
And I could never see you depart us
F# **B** (to **G#m** repeat)
And you re my baby...you re just another girl
