[intro] **D** to **Bm** (walk up and down)

[Verse]

**D** **Bm**  
You and I we re two of a kind  
**D** **Bm** **Esus2**  
I hate to say it but you ll never relate what makes you tick  
**G** **D**  
It makes me smile  
**D** **Bm**  
You said that I should get away from it all  
**D** **Bm** **Esus2**  
And bury my head in the sand if I want to...I think you  
**G** **D**  
Should thank me now

[Chorus]

**G** **F#m**  
You were lying wide awake in the garden  
**G** **F#m**  
Trying to get over your stardom  
**G** **F#m**  
And I could never see you depart us  
**A** **D** (to **Bm** repeat)  
And you re my baby...you re just another girl

I never mind the way I had to see ya  
My working on a day show never explains why I see you  
And I feel your pain

I love to wear my work inside of my head  
I can t complain but you should never react the way you did  
I feel your time

[Chorus] x2

**G** **F#m**  
You were lying wide awake in the garden  
**G** **F#m**  
Trying to get over your stardom  
**G** **F#m**  
And I could never see you depart us  
**A** **D** (to **Bm** repeat)  
And you re my baby...you re just another girl
