F#
I know a man who lives under his covers,
Ebm
uh uh uh uh uh uh,
G#m
lost his mind from the TV,
B
now he?s playing God, and
F#
somebody told him that he was no good at,
Ebm
uh uh uh uh uh uh,
G#m
he?s talking out of the left side of his
B
mouth,

Chorus
C#   **F#**   **B**   **F#**
and he won?t follow these lines they?s drawn for him,
                                 G#m   **Ebm**
and he don?t want to try,
G#m
seeing is believing,
B
Lord knows what he sees here every
F#
night.

F#
Three little boys dress up in the morning,
Ebm
uh uh uh uh uh uh,
G#m   **B**
come back home from the school yard talkin? bout Love,
F#
but on this occasion the boys feel the same,

```
C#                    F#              B                      F#

(Slow Down...)
B            F#        B        F#
And we both know, that people change
B            F#            C#
when truth?s not part of their lives,
B        F#            C#
I?ve seen the love in their eyes,
B          F#
don?t say goodbye...goodbye. (Speed up again )

F#
I know a man who wakes up in the evening,
Ebm
uh uh uh uh uh uh,
G#m                                        B
lost his mind from the TV now he?s blaming God,
F#
and somebody told him that he?s good for nothing,
Ebm
uh uh uh uh uh uh,
G#m                                            F#
