Capo 1st Fret

Intro (basic idea)  
G C Em G Em G

          G                                  C          G  
Come on, come on, we re gonna get there

          G                                  Em    G  
Come on, come on, we ve gotta go

          G                                  C          G  
Come on, I know you re feeling better

          G                                  Em    G  
I know you re feeling in control

          G                                  Em    G  
i know you re feeling in control

          G                                  C          G  
We ve got to be somewhere at 7

          G                                  Em    G  
I know you have a dress to wear

          G                                  C          G  
I ve found to a way to live forever

          G                                  Em    G  
I found a place where no one cares

          D          G  
One look at you

          C                                  G  
I see your eyes so blue

          D          G                  Am  
You talk to me with such sincerity

          F  
Oh how i wanted you

          G                                  C          G  
Come on, come on, come on lets get there

          G                                  Em    G  
i know you re seeing it in my eyes

          G                                  C          G  
I m going to be someone tomorrow

          G                                  Em    G  
You re gonna be something tonight

          D          G  
I look at you

          C                                  G

I see it in your eyes

**D G Am**

You talk to me with such sincerity

**F**

Oh how i wanted you

**G C G**

We know we cannot last forever

**G Em G**

Such crazy feelings you inspire

**G C G**

I ll have to runoff by tomorrow

**G Em G**

i never could put out this fire

**G C G**

I know you know, its going nowhere

**G Em G**

And I feel the hurt from miles and miles

**G C G**

Cause i want to be with you forever

**G Em G**

I want to be your precious stone

**G Em G**

I ll never be your precious stone

Outro

**G C Em G Em G**
