Pete Yorn

Some of the existing tabs for this are close, but I don't think any are 100%. Here is my take on it, it will only vary slightly from two of the versions already posted here, but it should be nearly perfect and at least serve to clear up a little bit of confusion. This is based on Scarlett Johansson and Pete Yorn's live performances at The Interface and on Regis and Kelly.

CHORDS:

B 799877
Esus2 779977
C#m 446654
F# 244322
E 022100

For the intro and verses Pete is just strumming the B, then bouncing over to the Esus2 and back again to the E. He just leaves his middle finger planted on the 8th fret of the G string for that entire part, just moving his ring and pinky fingers back and forth. Here's the whole song:

VERSE:
