G11 C#min7 Aadd2 F G11
what a life, oh what a life, was it a life?

I show you things you've never seen.

I show you things that you've only dreamed of.

I'm wide awake, I'll drop you off for saying that,
for days and two weeks, it was you who was defending such a lie,

I show you things you've never seen.
Is something wrong with me?
I show you things that you've only dreamed of.
