[Verse]
            Em
Read me the letter, baby
do not leave out the words
             Em
Stories and cigarettes ruined lives of lesser girls
and I wanna know, ?cos I want you to know
                              Bm
                       C
and it?s a strange condition, a day in prison
it?s got me out of my head and I don?t know what I came for
               Dm
                           Вb
Send me the money, baby, do not leave the wage
You know you?re the best thing ever to come out of this place
                  Bb
                                         F
hey I want you to know, ?cos I wanna know
                       Bb
          Am
and it?s a strange condition, a day in prison
     Am
                                  Bb
it?s got me out of my head and I don?t know what I came for
                C Bb
I want you to know
    Dm Bb
                  F Dm
                              Bb F
                       Bb
                                Am
                                              Bb
         Am
and it?s a strange condition, a day in prison
                                 Вb
it?s got me out of my head and I don?t know what I came for
                      \mathbf{B}\mathbf{b}
I want you to know, I want you to know
                               {\tt Bb}
so leave out the others, baby, say I?m the only one
cut out the uniforms and settle with the sun
                  Bb
hey I want you to know, ?cos I wanna know
        Αm
                       Bb
                                              Bb
and it?s a strange condition, a day in prison
```

I want you to know...
