

Call The Doctor
Peter Andre

Em7

She was my girl, my closest friend

Cadd9

My Hunny, the type of girl who go hard for me

Dsus4

She d be kicking back kind of girl who don t pretend

Cadd9

You can always catch her hanging with my friends

Em7

This girl was all I ever needed

Cadd9

What will i do now that i m leaving?

Dsus4

It hurts so bad cos i was true to her

Cadd9

Now im regretting having anything to do with her

Em7

Now my hearts racing

Cadd9

I m burnin up and im pacing

Dsus4 **D**

She was my mrs in the making

Cadd9

Watched her throw it all away

Em7

Cadd9

Now my minds playing tricks on me saying that i need her

Dsus4 **D**

It s much too late i gotta leave her

Cadd9

No more words left in me to say

Em7

Somebody call me a doctor

Cadd9

This is an emergency

My ladies stepping out on me

Dsus4 **D**

My heart stops beating

Cadd9

And now its getting hard to breath

Em7

Somebody call me a doctor

Cadd9

This is an emergency

My babys stepping out on me

Dsus4 **D**

My heart stops beating

Cadd9

It s getting a little hard to breath

Em7

Oohh i never saw this comin

Cadd9

Got me fooled, yeah she really got me goin

Dsus4

Saw her at the beverly center

Cadd9

With another dude, man she thinks shes clever

Em7

When she said she was out with her friends

Cadd9

I saw her talking and holding his hand

Dsus4

I guess its like a kick to the face

Cadd9

What did i ever do for you to treat me this way

Em7

Now my hearts racing

Cadd9

I m burnin up and im pacing

Dsus4

D

She was my mrs in the making

Em7

I guess i gotta just walk away

Cadd9

The doctor said there aint no medication for my pain

Dsus4

Cadd9

So im done, baby im gone

Em7

I guess i gotta just walk away

Cadd9

Cos theres nothing that can take away the pain

Dsus4

Woahh oahhh

Cadd9

So im gone baby

Em7
