

Every Other Night
Peter Bjorn and John

[Verse 1]

Bm
Every other night
 E **A**
When the last light of your life hits your eyes
 Bm
Every other night
 E **A**
There s a feeling that we re bound to make it right

[Pre-Chorus 1]

D
I need a ghostwriter
 A
To make my words brighter
 Bm **E**
Cause every single day I lean over to the shadows

[Chorus]

F#m **D**
Don t sleep in our footsteps, ooh
 A **E**
Cause we re running with the devil
 F#m **D**
Don t slide into regress, ooh
 A **E**
There s too much to unravel

[Post-Chorus 1]

Bm **A**
I was breathing, gave you a promise
 Bm **A**
From now on I would only be honest
 Bm **A**
Kicking myself in the morning
 Bm **E**
Kicking myself at night

[Verse 2]

Bm
Every other day
 E **A**
When you open up you eyes and shake your head
 Bm
Every other day

When you wake up and regret the things you said
