**G** **Em**  
Please put Chastity s books and magazines away

**Bm**  
Cause they don t move me no more

**G** **Em**  
They don t move me no more

**Bm**  
Put them all away

**G**  
Forget photos and letters

**Em**  
All the people that matter

**Bm**  
They don t move me no more

**G** **Em**  
You don t move me no more

**Bm**  
And you re no longer mine

**G**  
It s suprising how rapidly

**Em**  
We were changing from you and me

**G**  
No matter how you count, oh no

**Em**  
It will go to show

Chorus:

**Bm** **D**  
When history is done

**A** **F#m**  
And everything is over

**Bm D**  
Just to keep us warm  
**A F#m**  
It s slowly getting colder  
**G A**  
There s nothing to explain  
**G A**  
It s hard to stay the same  
**G Em**  
History is done  
**Bm (Riff)**  
And everything is gone

**G**  
Early morning, and late night  
**Em**  
Going over the same fight  
**Bm**  
Don t move me no more  
**G Em**  
You don t move me no more  
**Bm**  
And I don t even mind

**G**  
All these things I keep  
**Em**  
Without caring too deep  
**Bm**  
Gonna put it to sleep  
**G Em**  
I can run much faster  
**Bm**  
When nothing wears me down

**G**  
He can change what it s been before  
**Em**  
It s erased and you can t restore  
**G**  
Let the screen stay black, go go  
**Em**  
I don t want it back

Chorus

**Bm**  
Everything is gone  
Everything is gone  
Everything is gone  
Everything is gone
