You wanna go and share what you know inside
 G/D Gsus2
And show you love him

B/C F/Csus2 G/D C
Out beyond this home so dear
B/C F/Csus2 G/D C
Theres another call I hear

C F/D G/D
And the rivers turn to sea
 Gsus2 C
And the stars smile back at me
 F/D G/D
And little butterflies inside now
 Gsus2 B/C
And a hope that I m coming back

Now I remember days when you laughed so hard
We walked along the roads in the counrty so far

I remember children and sounds in the street
And we belong there

And then the broken man in his house one day
He said he wasn't sure if he knew how to pray
Then he tried and said what's in his heart
So pure and easy

Slowly turn around and see
There's a part of them in me

Now the birds are flying home
To the hills above the storm
And I know that I should follow
But it's hard to say goodbye

And the river turns to sea
And the stars smile back at me
AND little butterflies are gone now
But it's time I'm coming back now
I'm coming back now
I'm coming back now
I'm coming home

I actually figured this one out all by myself, But I hope it's right.
