**A**  
Well, here we are again  
**E**  
I guess it must be fate.  
**B**  
We've tried it on our own,

**D A**

**F#m B7**  
Every journey always brings me back  
**A B7**  
to you.

**E**  
After All the stops and starts,

**A E**  
Two angels who've been rescued  
**B7 A B7**  
from the fall.
