Here s the intro, I m not sure if it s 100% right,  
but it sounds good when you play it.

Progression of the song: Peter Frampton and Bob Mayo  
play the same thing

A  
Woke up this morning  
E  
with a wine glass in my hand  
A  
blah blah, blah blah, why the hell did I die?  
A  
must have been a dream  
E  
I don t believe where I ve been  
A

come on, let s do it again

D            F

Do you, you

C            D

feel like I do...

I think it pretty much repeats that progression through the rest  
of the song.

Sorry, I can t remember all the lyrics from the song.
