

Down To Earth
Peter Gabriel

Verse 1:

B C# B C#
Did you think that your feet had been bound
B C# B C#
By what gravity brings to the ground?
G#m E
Did you feel you were tricked
G#m E
By the future you picked?
B C# B C#
Well, come on down

G#m E
All those rules don t apply
G#m E
When you re high in the sky
B C#
So, come on down
B
Come on down

Chorus:

F# C#
We re coming down to the ground
F# C#
There s no better place to go
F# C#
We ve got snow up on the mountains
F# C#
We ve got rivers down below
F# C#
We re coming down to the ground
F# C#
We hear the birds sing in the trees
F# C#
And the land will be looked after
F# C#
We send the seeds out in the breeze

Verse 2:

(**B C#**)(x2)

B C# B C#
Did you think you d escaped from routine

B **C#** **B** **C#**
By changing the script and the scene?

G#m **E**
Despite all you made of it

G#m **E**
You re always afraid

B **C#** **B** **C#**
Of the change

G#m **E**
You ve got a lot on your chest

G#m **E**
Well, you can come as my guest

B **C#**
So come on down

B
Come on down

Chorus:

F# **C#**
We re coming down to the ground

F# **C#**
There s no better place to go

F# **C#**
We ve got snow up on the mountains

F# **C#**
We ve got rivers down below

F# **C#**
We re coming down to the ground

F# **C#**
We hear the birds sing in the trees

F# **C#**
And the land will be looked after

F# **C#**
We send the seeds out in the breeze

Bridge:

B
Like the fish in the ocean

C#
We felt at home in the sea

B
We learned to live off the good land

C#
Learned to climb up a tree

B
Then we got up on two legs

C#
But we wanted to fly

B
When we messed up our homeland

C#

We set sail for the sky

Chorus:

F# C#
We re coming down to the ground
F# C#
There s no better place to go
F# C#
We ve got snow up on the mountains
F# C#
We ve got rivers down below
F# C#
We re coming down to the ground
F# C#
We hear the birds sing in the trees
F# C#
And the land will be looked after
F# C#
We send the seeds out in the breeze

F# C#
We re coming down
F# C#
Coming down to Earth
F# C#
Like babies at birth
F# C#
Coming down to Earth
F# C#
We re gonna find new priorities
F# C#
These are extraordinary qualities

(**F# C#**)

F# C#
Down to Earth
F# C#
We re coming down to the ground
F# C#
There s no better place to go

We ve got snow up on the mountains
