

I Grieve

Peter Gabriel

C/G **F** **G**
It was only one hour ago
F **G**
It was all so different then
C/G **F** **G**
There s nothing yet has really sunk in
F **G**
Looks like it always did
C/G **F** **G**
This flesh and bone
F **G**
It s just the way that you would tied in
C/G **F** **G**
Now there s no...one home

F **C/G** **G**
I grieve for you
F **C/G** **G**
You leave me
Am **G**
It s so hard to move on
Am **G**
Still loving what s gone
Am **G**
They say life carries on
Am **G**
Carries on and on and on and on

C/G - Amadd9/G - G

F **G** **C/G** **F** **G**
The news that truly shocks is the empty empty page
F **G** **C/G** **F** **G**
While the final rattle rocks its empty empty cage
F **G**
And I can t handle this

F **C/G** **G**
I grieve for you
F **C/G** **G**
You leave me
Am **G**
Let it out and move on
Am **G**
Missing what s gone
Am **G**
They say life carries on
