

I Grieve

Peter Gabriel

C/G **F** **G**
It was only one hour ago
F **G**
It was all so different then
C/G **F** **G**
There s nothing yet has really sunk in
F **G**
Looks like it always did
C/G **F** **G**
This flesh and bone
F **G**
It s just the way that you would tied in
C/G **F** **G**
Now there s no...one home

F **C/G** **G**
I grieve for you
F **C/G** **G**
You leave me
Am **G**
It s so hard to move on
Am **G**
Still loving what s gone
Am **G**
They say life carries on
Am **G**
Carries on and on and on and on

C/G - Amadd9/G - G

F **G** **C/G** **F** **G**
The news that truly shocks is the empty empty page
F **G** **C/G** **F** **G**
While the final rattle rocks its empty empty cage
F **G**
And I can t handle this

F **C/G** **G**
I grieve for you
F **C/G** **G**
You leave me
Am **G**
Let it out and move on
Am **G**
Missing what s gone
Am **G**
They say life carries on

Am G
They say life carries on and on and on

Am

Am
Life carries on

Am
In the people I meet

Am
In everyone that s out on the street

Am
In all the dogs and cats

Am
In the flies and rats

Am
In the rot and the rust

Am
In the ashes and the dust

Am G
Life carries on and on and on and on

Life carries on and on and on

Am
It s just the car that we ride in

F	C/G	G
A home	we reside	in

Am
The face that we hide in

F	C/G	G
The way we are tied in		

Am G
And life carries on and on and on and on

Life carries on and on and on

G fade to **C/G**

C/G	F	G
Did I dream this belief?		

F **G**
Or did I believe this dream?

C/G F G
 Now I can find relief
