Lovetown

Peter Gabriel

Em C Am
People go naked, and pick up these trails
Em C Am
someone before me, laid down these rails
Bm Em
when it's loaded up too heavy,
C D Em
this engine, fails-- in lovetown
D Em
I can't settle down-
D Em D
and do those teeth, still match the wound
C D Em
take a good look around in lovetown

D Em D Em
lookin' in lovetown this is lovetown

Em C Am
Sometimes, you're stormy water on which I pour my oil
Em C Am
in each others shadow, the roots reach into the soil
Bm Em
all these knots, so tightly tied,
C D Em
we could not uncoil-- in lovetown
D Em
no place to settle down-
D Em D
and do those teeth, still match the wound
C D Em
take a good look around in lovetown

D Em D Em
this is lovetown lookin' in lovetown

Em Am D Em
Who's, lonely lips, will find these hidden scars
Em Am D Em
Who's, seen the kisses, left in dimlit bars
Em Am D Em

Who's, out in the streets, looking for love like ours
Em **C** **Am**
Who's, looking in lovetown, to-night-----

Em **C** **Am**

Am **Em** **C** **Am**

Have you got what you want

Am **Em** **C** **Am**

have you got what you need

C **Am**
with what you did, and what you saw----

Em **C** **Am**
did you find, you, needed more---

Em **C** **Am**
have you got, what, you came for---

Em **C** **Am** **Em**
are you really so sure--- are you really so sure

D **Em** **D** **Em**
lookin' in lovetown this is lovetown

D **Em** **D** **Em**
livin' in lovetown yeah yeah yeah
