

Nadir's Big Chance

Peter Hammill

Intro: A G D

I ve been hanging around, waiting for my chance
G to tell you what I think about the music that s gone down
G to which you madly danced - frankly, you know that it stinks
D I m gonna scream, gonna shout, gonna play my guitar
D D A G D until your body s rigid and you see stars

D Look at all the jerks in their tinsel glitter suits
G pansying around; look at all the nerks
G in their leather platform boots, making with the heavy sound...
D I m gonna stamp on the stardust and scream till I m ill
D D A G D A if the guitar don t get ya, the drums will

{ C D C D A C D C D A C D C D G A D F } x4 D A

D Now s my big break - let me up on the stage
G I ll show you what it s all about; enough of the fake
G bang your feet in a rage, tear down the walls and let us out!
D We re more than mere morons, perpetually conned
D D A G D x2 D D A G
so come on everybody, smash the system with the song
G A D
Smash the system with the song!
