Shingle Song Peter Hammill

F#m Bm

You can see in the last light that s graced as dawn

Bm F#n

that there s nothing in my heart but pain

'#m Bm

as I stand, facing sea, knowing that you re gone

Bm F#r

all the elements rage to explain

F#m E E4 E F#m

that I should really be on my way;

F#m

but there is something

E F#m

which ensures I must stay.

Beneath the roar of the seething surf, beneath the caterwaul of scattered call wind thoughts and gestures unspoken, unheard—and now the dance of rapture begins as the waves rush along across the beach: like you, like your love forever out of reach.

Instrumental Verse: - You ll have to figure out the rhythm yourself...

Look at the sky, but it s empty now; look at the sea, it holds nothing but despair. I raise my eyes, but my head stays bower... I look to my side, but you re not there. And I can t get you out of my mind, no, no, no, no, no, I just can t get you from my mind.

Have fun and try not to sink down when playing this one.
