Do You Wanna Make Love  
Peter McCann ( <http://www.discogs.com/artist/Peter+McCann> )

[A] Some [D] times the [A] love [D] rhymes that [G] fill the afternoon  
[A] Lose all their meaning with the [D] rising moon  
[A] Hold [D] me and [A] tell [D] me that the words you [G] say are true  
[A] Answer the question I must [D] ask of you

Do you wanna make [G] love  
Or do you just wanna [D] fool around  
I guarantee it will [A] bring you down  
If you [G] try and fool your [D] self G D

Do you wanna [G] make love  
Or do you just wanna [D] fool around  
You can take it [A] seriously  
Or [G] take it somewhere [D] else

[A] Take [D] all the [A] freedom [D] that a [G] lover will allow  
[A] If you feel the feeling that I m [D] feeling now  
[A] Where [D] love goes A [A] fool [D] knows  
[A] That the [D] hurt can go as [G] deep  
[A] Don t make a promise that you [D] cannot keep

Do you wanna make [G] love  
Or do you just wanna [D] fool around  
I guarantee it will [A] bring you down  
If you [G] try and fool your [D] self G D

Do you wanna [G] make love  
Or do you just wanna [D] fool around  
You can take it [A] seriously  
Or [G] take it somewhere [D] else

If you want to get [A] close to me  
You could do it so [D] easily  
Is it love that I [A] see  
When I look in your [Fm] eyes  
Or just [G] another empty [D] lie

Do you wanna make [G] love  
Or do you just wanna [D] fool around  
I guarantee it will [A] bring you down  
If you [G] try and fool your [D] self G D

Do you wanna [G] make love  
Or do you just wanna [D] fool around

You can take it [**A**] seriously  
Or [**G**] take it somewhere [**D**] else
