[Verse 1]

C **Dsus2**
I find you in the morning
Em
After dreams of distant signs
C **Dsus2**
You pour yourself over me
Em
Like the sun through the blinds
C **Dsus2**
You lift me up and get me out
Em
Keep me walking but never shout
C **Dsus2**
Hold the secret close
Em
I hear you say

[Chorus]

Em **Dsus** **C**
You know the way it throws about
It takes you in and spits you out
Em **Dsus2** **C**
It spits you out When you desire
To conquer it to feel you re higher
Em **Dsus2** **C**
To follow it you must be clean
With mistakes that you do mean
Em **Dsus2**
Move the heart switch the pace
C
Look for what seems out of place

On and on it goes
Em
Calling like a distant wind
C Dsus2
Through the zero hour we ll walk
Em
Cut the thick and break the thin
C Dsus2
No sound to break no moment clear
Em
When all the doubts are crystal clear
C Dsus2 Em
Crashing hard into the secret wind

[Chorus]

Em Dsus2 C
You know the way it twists and turns
Changing colour spinning yarns
Em Dsus2 C
You know the way it leaves you dry
It cuts you up it takes you high

You know the way it s painted gold
Is it honey is it gold
